Scott Klusendorf

guest of iowa right to life

Scott Klusendorf is the founder and president of Life Training Institute (LTI), which was established in 2004 to challenge and equip Pro-Life advocates to persuasively defend their views in the public square. Scott travels throughout the United States, Canada and Europe training groups of people to engage the conversation about abortion. He contends that the Pro-Life message can compete in the marketplace of ideas if properly understood and articulated.
